Representative Beckley and Father Valentin were the chief entertainers Saturday night at the Francis Mur-phy Hall. Father Valentin sang the "Holy City," which was rendered with such excellence that he was warmly encored. He responded with a Chrise-mas carol in French. With Leon Sa-bate he san a duet. A choir of six Palama boys, under the guriance of

Moses Nakuina, also sang. Representative Beckley was introduced by President Franklin Austin. He made an eloquent address. He said the Hawalian people are not natundly an intemperate race, but have been easily influenced by associates. He commended the work of the Francis Murphy clubs.

## ONE HUNDRED PRETTY PICTURES GIVEN

AWAY. Our Mr. Whitney found them in New York and brought them home with him to give to our friends.

FRIDAY, AUGAUST 28rd,

we shall distribute them among our first one hundred customers...

METHOD OF DISTRIBUTION: We have numbered the pictures at random from No. 1 to No. 100. We have also prepared one hundred coupons correspondingly numbered. To every purchaser of goods to the amount of one dollar or over will

be given one of these coupons, which may be exchanged between Monday. August 26th, and Saturday. Au ..... 31, for the picture bearing the corresponding number. It is plain that there can be no unfairness about this method of distribution. Every picture and every coupon has a printed number, which cannot be effaced or altered. The pictures are all arranged indiscrimin-

ately in our window, and we ourselves do not know the number of any particular picture. Picture No. 1 will go to our first customer; picture No. 2 to our second customer, and so on unui the hundred have been given out. No customer may have more than one coupon, no matter how large her purchase may be. We establish a minimum purchase price of a dollar, merely that the pictures may go into the hands of our bona fide customers.

The pictures will be displayed in our windows all this week. They are all of them really works of art and well worth framing and preserving in any home.
